

Fall Issue

# The Shade Tree Gazette

## Turf Talk

It's getting colder by the day! I'm hoping we do not have a repeat of last year's winter. The damaging cold really left its mark throughout the spring and summer, not allowing me to forget how angry Mother Nature can be when we least expect it. Every year is made of highs and lows and no one knows what this season will bring. Hopefully it will be mild so that our plants and turf are better able to recover. I'm crossing my fingers...

For now, I'm enjoying football season. I love to cheer on my alma mater, the Georgia Dawgs, whether they win or lose.

If you need anything, we're always only a call or click away. Thank you for being a **King GREEN** customer.

Your Friend,

Charlie King

## About This Service

Today we applied our fall (Round 6) application to your lawn. Cool-season (Fescue) lawns received a balanced fertilizer. This fertilizer will aid the germination of your newly seeded Fescue lawn.

Warm-season (Bermuda and Zoysia) grasses received a pre-emergent and a post-emergent herbicide. These

products will prevent many winter annual weeds and will control most of the broadleaf weeds in your lawn at this time. As the weather gets cold, your Bermuda/Zoysia lawn will be going dormant. Even if your lawn is brown, it will still need our winter application to aid in the control of weeds during the winter and early spring. If you have any questions, please call our office. We'll be glad to help in any way.

### DID YOU RECEIVE A TREE AND SHRUB APPLICATION TODAY?

The tree and shrub application today consisted of dormant oils and insecticide. This application utilizes oils to help minimize the use of pesticides later in the year. The oils actually smother insects and their eggs. By using a sticking agent, the oils remain on the plants longer, thereby increasing their length of effectiveness. This helps to prevent damaging populations next season.

**THANK YOU FOR USING KING GREEN.**

## Termite & Pest Control

On your initial service, if you have an existing problem, we will treat inside your home in addition to our standard exterior service. With modern, advanced chemicals we will maintain the chemical barrier on the exterior of your home to keep pests out. On our quarterly follow-up visits, we will re-establish this protective barrier to keep pests from re-entering from the outside. If there is ever a concern that requires additional interior treatments, they will be provided whenever needed at no extra cost.

**TERMITE ACTIVITY:** Don't give these voracious pests the chance to ruin your home. Give us a call to schedule an appointment for our Termite and Pest Control services today.

**50% OFF YOUR FIRST QUARTERLY VISIT**  
*Limit one per household. New customers only.*

**Call now to schedule an appointment for our Pest Control Services!**

*Please note: King GREEN IPM services available only in Georgia.*

# Football Season is Here – Let's Have a Party!

In honor of football season, we brought back the recipe section of our newsletter. These pretzels are super easy to make and great for snacking during the game.

## SPICY SEASONED PRETZELS

- 1 bag of tiny twist pretzels
  - 1 cup of vegetable or canola oil
  - 2 teaspoons of garlic salt
  - 2 teaspoons of lemon pepper
  - 1 teaspoon of cayenne pepper
  - 1 teaspoon of red pepper flakes
- 1) Pour oil and spices into a gallon ziploc bag. Seal and shake to evenly combine oil with spices.
  - 2) Add in pretzels, seal up ziploc bag, and gently shake to combine.
  - 3) There are 2 different ways you can finish the pretzels:
  - 4) OPTION 1: you can leave them in the ziploc bag and allow pretzels to soak up the seasoned oil for at least 6 hours, or ideally for 24 hours. Turn bag to shake up pretzels every few hours.
  - 5) OPTION 2: bake the oil soaked pretzels in a 200 degree oven for about 1 hour, stirring several times to ensure even baking. Allow to cool before eating.
  - 6) Pretzels will keep in an airtight container for 3 weeks.

## You Could Be Next...

**Congratulations! Listed below are the round 4 newsletter winners:**

**Don Lampley – Cumming, GA**  
**Diane Grum – Matthews, NC**

**Steve Diegnan – Flowery Branch, GA**  
**Joey Dee – Decatur, GA**
