

The Finest Lawn Service Available

### Turf Talk

Today, I want to share with you a few things that bring me joy and happiness and always put a smile on my face: the first blooms of spring, the deep colors of trees in the fall, sunsets at the beach, live music, a feeling of contentment, other people's joy (it's incredibly contagious!), my husband Frank, our two boys Avery and Jalen, and our dogs Wilbur and Charlotte.

Some days, in order to gain perspective of gratefulness, I take time to focus on things that make me happy. I've been working hard to practice this over the last year and can honestly say it's changed my perspective on life! Over the past five years, my focus has changed because of the growth of my family, but I still recall the days when I would get home from work and felt so much joy in seeing my dogs, Wilbur and Charlotte. Wilbur will be 12 in July, and Charlotte will be 8 in November. If you're a dog lover, you know that their time with us is short but filled with unconditional love. Their happiness, excitement for the simple things, emotional connection and unwavering trust are just a few things I make an effort to never take for granted. In order to keep them healthy and happy, I love on them, give them treats, make sure their annual checkups are scheduled and always, always give them lots of time outside! When **King GREEN** decided to introduce mosquito control, I was incredibly excited for our own outdoor living space. Knowing that I could not only keep my family safe from these harmful pests, but our dogs too? There was no question; I was signing up! Did you know it only takes one bite from an infected mosquito for a dog to contract heartworms? Or only a single bite to contract Lyme disease? Neither is something I want to risk for my family or pets. **King GREEN** uses environmentally cautious products while only treating the necessary areas of your outdoor living space. We want to control the mosquitoes on your property while also giving you all the advantages of enjoying it. Please call or visit our website to get more information on our mosquito control program; I guarantee you won't be sorry.

### Refer A Friend

Did you know that our number-one source of new customers is by referral? Most of our clients are referred by our current customers.

For each new referral that starts a **King GREEN** program, you both receive \$25 towards any **King GREEN** service. There is no limit, so you can refer as many of your friends and family as you'd like.

We'd love the opportunity to provide your family and friends with the same great service you've grown accustomed to. We are grateful that you take the time to share **King GREEN**.

### Now Hiring!

We are always looking for enthusiastic individuals to join the **King GREEN** family. Apply online at [KingGreen.com](http://KingGreen.com).

Georgia:  
770-536-7611

Charlotte:  
704-532-6262

### Get \$25 OFF Your Next Application

With your entry into the **King GREEN** drawing. Circle the correct answers to these three questions and e-mail or mail them with your payment to be entered into our drawing. The answers can be found in this newsletter. We will have four lucky winners who will be named in a future newsletter!

- 1. How old is Jennifer's dog, Wilbur?**  
a. 8                      b. 10                      c. 12
- 2. How much will you receive when you refer a friend?**  
a. \$20                      b. \$25                      c. \$30
- 3. What pet does our employee Jose have?**  
a. Dog                      b. Cat                      c. Horse

**Congratulations! Listed below are the Round 2 newsletter winners:**  
**Deanna Gooden, GA                      Tim Jordan, GA**  
**Bobby Murphy, GA                      Mark Miller, SC**

### Manage Your Account Online!

We want to make being a **King GREEN** customer as easy as possible. For this reason, we have updated our website so that you can manage your account online. You can add services, schedule payments, and view your history all in one spot.

Visit [KingGreen.com](http://KingGreen.com) to access your account. Click on "My Account" in the top right corner. Once there, you can:

- Prepay for your annual services or pay current balances
- View a history of applications and recommended services
- Set it and forget it! Now offering autopay via credit card and ACH payment

If you have been pleased with your **King GREEN** service, we would love for you to share your experience online.

## About This Service

Today, we applied our early summer application. Cool-season (Fescue) lawns received a spot treatment for weeds. We also applied ByoSpxtum™, which improves organic matter in the soil and breaks down thatch and other dead plant material into usable nutrients.

Warm-season (Bermuda and Zoysia) lawns also received a spot treatment for weeds and a fertilizer blend consistent with current weather and increased temperatures.

The threat of disease is very high during the summer months. Extreme heat and humidity combined provide an ideal environment for disease to develop. **King GREEN** offers both preventative and curative fungicide programs at an extra charge. If you have any questions, please give us a call.

### DID YOU RECEIVE A TREE AND SHRUB APPLICATION TODAY?

The tree and shrub application today consisted of insecticide to control any young insects that might be hatching and a miticide as needed. A fungicide was applied for disease control and should keep your shrubs looking their best for the next six to eight weeks.

### DID YOU RECEIVE A MOSQUITO APPLICATION TODAY?

Our mosquito treatments will be effective for 3 to 4 weeks. Between treatments, be sure to keep an eye out for standing water, which can be a hot spot for mosquitoes.

**King GREEN** uses only the most environmentally responsible products available. It is our policy to minimize all pesticide use. For this reason, we'll evaluate the landscape during each visit and spray only the plant material that needs spraying.

### THANK YOU FOR USING KING GREEN.

## Employee Spotlight

### JOSE LOPEZ

While many **King GREEN** employees were guided to the company through friends or family, Jose Lopez found us through a traditional job search. We're happy to say the match was a good fit, as he's been with **King GREEN** for 12 years! He now works as a Lawn Specialist in our Gainesville branch.

Something Jose loves about his work is that it allows him to be independent and handle his routes by himself. He also enjoys impromptu company barbecues on the weekends, annual Tech Appreciation Day, as well as other

celebrations that happen throughout the year.

When he's not working, Jose likes to unwind and relax with his wife of 20 years, Yolanda and their two children, Dalia, 18 and Diego, 12. Though in this newsletter we highlight dogs, Jose enjoys the company of his horse, Chaparro.

## Enjoy a Safe and Comfortable Summer!

### ARE MOSQUITOES BUGGING YOU?

**King GREEN** provides an effective solution for controlling mosquitoes in your outdoor living areas. In addition to making your summer itchy and uncomfortable, mosquitoes can spread a variety of diseases that can affect humans and pets. They have even been known to carry heartworms (yuck!)
